Dear Ms. Besley:

ORS has received the Commission's directive in this docket entered April 28, 2022. ORS has reviewed the Applicant's application for tariff amendment, and does not have any objection to the Applicant's request or the Commission's directive. It is ORS's understanding that the Applicant has filed a final version of their amended tariff with the Commission. The final version does not appear to have been posted to DMS, and I am writing to see if it could be posted.

Thank you,
Alex
